SWISS On-Board Courier Service

Chapman Freeborn

Chapman Freeborn, our partner for charter solutions and specialist in on-board courier (OBC) services, is there for you when your cargo consignment is highly critical and requires a personal escort. Our partner is a great addition to our own service offerings and provides additional personal escort solutions, according to our customers' needs.

Tailor-made solutions

Whether you need a door-to-door, door-to-airport, airport-to-door or airport-to-airport solution, Chapman Freeborn OBC offers an individualized service in which the interfaces with other parties are kept to a minimum and your shipment is accompanied by a dedicated Chapman Freeborn air courier all the way from pick-up to final delivery.

With round-the-clock availability every day of the year, Chapman Freeborn can provide all the assistance you require. That includes sending you continuous updates on your consignment's status. And with the Chapman Freeborn online tracking system you can check up on your shipment's progress any time you wish.

Why Chapman Freeborn OBC ?

- Global coverage
- Specially-trained couriers for the highest quality standards
- All couriers equipped with all the visas required worldwide
- Personal pick-up and delivery
- Own tracking system for OBC shipments
- Handling of all organizational and regulatory procedures (e.g. fully compliant with customs regulations, immigration requirements etc.)
