Swiss Quality

We care for your cargo.

# SWISS X-Presso

## For your time-critical supply chain

**SWISS X-Presso means speed. Knowing that express services generate significant value for businesses everywhere, we have worked closely with our customers to develop this product. With its extremely quick transfer times and high handling standards, combined with our well-known Swiss flexibility, this is the right solution to help you quickly ship spare parts, important documents, pharmaceuticals and various other products. Best of all: it can easily be well integrated into your time-critical supply chain.**

### Your Benefits

- Highly efficient transport and handling processes ensure that your cargo gets to its destination extremely fast and on time
- Dangerous goods accepted (local restrictions and IATA DG regulations apply)
- Seamless integration into your supply chain
- A global network of stations with high quality and handling standards

### Our Hub

- SWISS X-Presso (90 minutes) and SWISS X-Presso XL (120 minutes)
- Unbeatable 60-minute tail-to-tail transit time with SWISS X-Presso XPT "One Hour Option"
- Limited exposure to outside conditions thanks to extremely short distances between aircraft position and warehouse at our Zurich hub
- Separate handling process in our rapid channel

### Our Product

- Extremely short acceptance, transfer and delivery times
- Short-notice reservations right up to the final acceptance deadline
- Skilled personnel worldwide
- Guaranteed space confirmation shortly before departure
- No weight limitations (aircraft type restrictions apply)
- Globally consistent handling and quality standards
- An integrated online consignment tracking system
