

SWISS Argus

Secure
Discreet
Swiss Quality

We care for your cargo.

SWISS Argus

For your protected supply chain

SWISS Argus is your cargo solution for complex and delicate products which require reliable, safe and protected logistics chains. Whether your goods are from the high-tech, high-end fashion or any other high-value industry, SWISS Argus offers the right handling, product integrity, theft prevention, discretion and confidentiality. If your product is vulnerable in any way, our airfreight solution offers the appropriate protection to ensure its safe arrival.

Your Benefits

- Increased theft protection through distinctive storage with special attendance and security checks prior to departure as well as after landing
- Secured transport and handling processes ensure that your cargo is well protected en route to its destination

Our Hub

- Dedicated storage facilities
- Limited exposure to outside conditions thanks to extremely short distances between aircraft position and warehouse at our Zurich hub

Our Product

- Special storage, surveillance and loading processes
- Security checks prior to departure and after landing
- Highly skilled and trained personnel worldwide
- Preferential capacity access
- No weight limitations (aircraft type restrictions apply)
- Globally consistent handling and quality standards
- Integrated online consignment tracking system
